CIL Secure™ Caravan Insurance at a glance

CIL Secure™ Caravan Insurance provides comprehensive cover for loss or damage to your caravan and its contents, or to your trailer or horsefloat. It **doesn't** cover caravans that are permanently located and modified for use as long-term accommodation ('on-site caravans').

If you take out a policy with us, we send you a schedule showing the cover that applies to your caravan.

Summary of cover

What we cover depends on whether you are insuring a caravan, trailer or horsefloat.

Limits, conditions and exclusions apply. Read the PDS and your schedule for full details.

There are optional covers that you'll have to pay extra for. If an optional cover applies to your policy, it's shown on your schedule. Note that *Lay-up period cover* doesn't have an extra cost: it reduces your cover and your premium during the lay-up period.

Note: none of these optional covers apply to trailers or horsefloats.

There are some things we don't cover

Like every insurance policy, there are exclusions, conditions, and limits that apply to your policy. There are some things we don't cover whatever the circumstances. See *What we don't cover* starting on page 33 for details.

As well as the general terms of your policy (including the exclusions and conditions), each cover also has its own terms, limits and exclusions that apply to that cover. We explain these as 'We cover', 'We don't cover' and 'Limits' for each cover, and use  and  icons to show what's covered and what's not covered.

What we pay

The most we pay for any one incident for loss or damage to your caravan is the amount insured shown on your schedule, unless we say otherwise in your policy.

Legal liability cover

The most we'll pay for all claims arising from one incident for legal liability covered under either caravan legal liability or personal legal liability is \$20 million, including all associated legal costs.

Additional and Optional covers

We'll pay up to the limits outlined under the relevant Additional and Optional cover.

Who we mean by 'you' and 'we'

When we say 'you' or 'your' we mean the person or persons named as the insured on your schedule.

When we say 'we', 'us', 'our', or 'CIL' we mean AAI Limited ABN 48 005 297 807 trading as CIL Insurance.

Excesses

If you make a claim you have to pay one or more excesses, which are your contribution to the cost of the claim. Your schedule lists all the excesses. See *How your excess works when you make a claim* on page 49 for details.

Cooling off period

You can contact us to return the policy within 30 days from the start date of your policy (including on renewal).

This is called the cooling off period. As long as you haven't made a claim during this period, we'll refund in full the money you paid for your policy (including GST if applicable). However, you won't have any cover under the policy. If you have made a claim, see below.

You can also cancel your policy at any time

Alternatively, you can cancel your policy at any time while you're insured unless you have made a claim that might result in the total loss of the caravan. This is because all the cover under the policy stops if the caravan is a total loss (unless we provide a new caravan under your policy) and there is no refund of premium. You can otherwise cancel your policy as at the date you contact us, a future date, or another date if we agree, and you'll have cover up until that date. For more information see *What happens with cancellations or removal of cover* on page 63 for details.

When we can reduce or deny cover

Where the effect of a term in this policy is that we may refuse to pay a claim (either in whole or in part) by reason of something you or another person did or didn't do after this policy was entered into then, in accordance with the Insurance Contracts Act 1984 (Cth), we may either:

- refuse to pay a claim, however, only to the extent that such act or failure caused or contributed to the loss which gives rise to the claim
- reduce our payment of a claim, however, only by an amount that fairly represents the extent to which our interests are prejudiced by the act or failure.

We may also cancel your policy.

Your responsibilities

Your actions

When you enter into a contract of insurance with us, you must:

- follow all the terms, conditions and responsibilities in your policy
- provide honest, accurate and complete information in any claim, statement, or document you give us
- not behave in a way that is abusive, dangerous, hostile, improper or threatening when engaging with us and our service providers.

Preventing loss or damage

You must take steps to prevent loss or damage. For example:

- when the caravan is not attached to a vehicle, fit a coupling lock and secure the wheels
- when the caravan is attached to an unattended or vacant vehicle, keep the vehicle locked
- lock all doors and windows when your caravan is unattended
- move it away from rising flood or tidal waters
- don't leave contents in an unsecured annexe.

Maintaining your caravan

You must:

- keep your caravan structurally sound, watertight, secure and well maintained (this could require you to repair pre-existing flood, hail or panel damage, maintain seals, fix leaks, remove mould, repair paint problems, remove major rust, corrosion, cracking and blistering, repair major scratches or dents, fix mechanical and electrical problems)
- if your caravan is registered, keep it in a safe and roadworthy condition (for example, replace worn out tyres, worn out brakes and defective lights).

See *What we don't cover* starting on page 33 for the types of things we don't cover due to poor maintenance.

We can reduce or deny cover if you don't meet your responsibilities

Your policy may not provide cover if you haven't met your responsibilities, and it may lead us to reduce or refuse to pay your claim (see *When we can reduce or deny cover* on page 8).

If you don't meet your responsibilities, we may cancel your policy in accordance with the Insurance Contracts Act 1984 (Cth).

When you need to contact us

During the period of insurance you must tell us as soon as possible if anything listed in the table below changes. You must also tell us if any of the changes listed below happened in any earlier period of insurance when you held this policy with us.

For these details...	you must tell us if...
Other insurance	another general insurance provider cancels an insurance policy you have with them or declines an application you make for an insurance policy, imposes specific conditions on your policy with them, or refuses a claim.
Drivers	<ul style="list-style-type: none">▪ a driver who tows your caravan is not listed on your schedule▪ you, or anyone who is likely to tow your caravan:<ul style="list-style-type: none">– has their driver's licence cancelled, suspended, disqualified or restricted– is charged with or convicted of a criminal act or offence.

What we'll do when you contact us

When you tell us about any of the above matters, an additional excess, additional premium, or special condition may be applied to your policy. In some cases, in accordance with the Insurance Contracts Act 1984 (Cth), it may lead us to either:

- refuse to pay a claim by reason of something you or another person did, or failed to do, however, only to the extent that such act or failure caused or contributed to the loss which gives rise to the claim
- reduce our payment of a claim by reason of something you or another person did, or failed to do, however, only by an amount that fairly represents the extent to which our interests are prejudiced by the act or failure.

If what you tell us means we can no longer insure you, we'll cancel your policy in accordance with the Insurance Contracts Act 1984 (Cth).

If you don't contact us when you should

If you don't notify us when you need to, then in accordance with the Insurance Contracts Act 1984 (Cth), we may do either of the following:

- refuse to pay a claim by reason of something you or another person did, or failed to do, however, only to the extent that such act or failure caused or contributed to the loss which gives rise to the claim
- reduce our payment of a claim by reason of something you or another person did, or failed to do, however, only by an amount that fairly represents the extent to which our interests are prejudiced by the act or failure.

This includes a failure to notify us of a change in accordance with this clause.

It may also lead us to cancel your policy in accordance with the Insurance Contracts Act 1984 (Cth).

Communicating with you by post

We may send your policy documents and policy related communications by post unless you've consented to receiving these electronically (see below).

Communicating with you electronically

We may send your policy documents and policy related communications electronically. This will be by email, other types of electronic communication (for example, SMS), or both. We'll obtain your express or inferred consent to do so. Each electronic communication will be deemed to be received by you at the time it leaves our information system.

Let us know if your contact details change

You must keep your contact details, including your Australian mobile number, postal address, and email address up to date. If we don't have up to date contact details, you might not receive your important policy documents which could impact whether you have cover in place.

Sometimes we can provide extra support

Sometimes your circumstances might mean you need additional support or assistance in dealing with us. This could be due to your physical or mental health, family or financial situation, or cultural background. If you're comfortable, you can tell us about your situation, and we'll work with you to arrange support.

- the use of any nuclear reactor, atomic piles, particle accelerators, generators or similar devices
- the use, handling, transportation of any radioactive material
- any action taken by a public authority to prevent, limit, or remedy the actual or threatened release of any radioactive or nuclear materials
- any looting or rioting following these incidents.

Permanently located, or 'on-site' caravans

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from your caravan when it is permanently located within any commercial facility that allows any form of short and/or long-term accommodation option(s), such as parking a caravan, motorhome or recreational vehicle, pitching a tent, hiring a cabin and motel rooms.

Power surge

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from power surge, unless the loss or damage caused by the surge is covered under the additional covers:

- *Motor burnout* (see page 22)
- *After-claim expenses* (see page 20).

Replacement of non-damaged parts

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from replacing non-damaged parts. This includes items that are part of a whole set when only part of that set was lost or damaged (such as alloy wheels and tyres).

Revolution, war

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from either of the following:

- revolution, hostilities, war or other acts of foreign enemy, war like activity (whether war is declared or not), military coup, hostile acts of sovereign or government state sponsored entities
- any looting or rioting following these incidents.

Roots of trees, shrubs, and plants

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from the roots of trees, shrubs, or plants.

We do cover damage to the caravan from:

- liquid leaking or overflowing from pipes or drains that are blocked or damaged by these roots
- roots from a fallen tree.

Cover is only within the policy limits for any insured incident.

Sale of a caravan, annexe or contents

If you authorise someone to offer your caravan, annexe or contents for sale, we don't cover the loss of these items or the proceeds of any sale, whether by:

- theft
- a private sale transaction
- that person going bankrupt.

Sanctions

We won't provide any cover, pay any claim, make any payment (including any refund), or provide any benefit under this policy, if doing so will contravene or violate any sanction, prohibition, restriction, proscription or prevention under any sanctions, laws or regulations, including but not limited to sanctions, laws or regulations of Australia, New Zealand, the European Union, the United Kingdom or the United States of America or those set out in any United Nations resolutions.

Squatters or trespassers

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from squatters or trespassers using or staying in your caravan.

Stone chips/tar flecks

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from stone chips or tar flecks from the road.

Terrorism

We don't cover loss, damage, cost, expense, or legal liability of any nature, directly or indirectly caused by, resulting from, in connection with, or arising from either:

- any act of terrorism, regardless of any other cause or event contributing concurrently or in any other sequence to the loss
- any action taken in controlling, preventing, suppressing, retaliating against, responding to or in any way relating to any act of terrorism.

Theft, attempted theft or malicious damage

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from theft, attempted theft or malicious damage to your caravan, annexe or contents by someone who is using, or in, your caravan or annexe with your consent.

Theft or attempted theft from your caravan or annexe

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from theft or attempted theft from your caravan or your annexe, or of fixtures of your caravan if:

- it's not securely locked, and
- the caravan or annexe is unattended, and
- there's no physical evidence of forcible or violent entry.

Theft or attempted theft of your annexe

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from theft or attempted theft of your annexe:

- if you leave it erected and unattended anywhere for eight or more consecutive days, except at a caravan park that has a resident manager, or
- if it's not securely locked away when not erected.

Towing a damaged caravan

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from towing a caravan after it's been damaged in an incident, unless you were trying to prevent further loss or damage (such as towing it from a busy motorway).

Towing into water

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from towing the caravan into water without due care or if the caravan is not designed for this.

Towing vehicle

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from your caravan being towed by an unsafe or unroadworthy vehicle.

This exclusion doesn't apply if you prove that the condition of the towing vehicle didn't cause or contribute to the loss, damage or liability.

Tyres

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from damage to your caravan's tyres caused by braking, punctures, road cuts or bursting.

Unlawful towing

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from using your caravan illegally under the relevant road traffic law when an incident happens, unless the breach of the law didn't cause or contribute to the loss, damage, or liability.

Unlicensed driving

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from anyone towing or controlling your caravan who isn't licensed, not correctly licensed or not complying with the conditions of their licence.

We **do** cover you if all of these apply:

- you weren't driving or in control of your caravan when the incident happened
- you didn't encourage, help or express or imply consent to the driving or the incident
- you can establish that you didn't know and couldn't have reasonably known of any of the above circumstances, or not complying, failing to be licensed or being incorrectly licensed didn't contribute to the incident.

Unrelated damage

We don't cover loss or damage caused by, connected with, or arising from, or legal liability for or caused by, connected with, or arising from damage caused by something other than the incident you're claiming for.

Making a claim

In this section 'you' means the policy holder. If you weren't using or living in your caravan it also means person who was using or living in your caravan.

What you must do

You must do the following:

- make your claim within a reasonable period of time of the loss or damage occurring
- allow us or someone we nominate, to inspect and assess the damaged caravan, annexe or contents
- allow us to arrange for experts to assess your caravan or contents and to quote on repair or replacement
- provide us with a quote(s) for repair or replacement if we ask you to, or allow someone we nominate to provide a quote
- when requested, provide us with proof of loss, ownership, and value
- provide us with information, co-operation, and assistance in relation to the claim (including attending interviews or giving evidence in court if required)
- if your caravan, annexe or contents are a total loss, allow us or a person we nominate to recover or salvage your caravan, annexe or contents
- if repairs we've authorised need to be fixed, take your caravan back to the original repairer to do this.

What you must not do

You must not:

- dispose, or tell someone to dispose, of any damaged parts or items of your caravan, annexe or contents without our consent, unless either:
 - it's necessary for health and safety reasons
 - you can show it was done without your knowledge or against your instructions
- carry out or authorise any repairs without our consent, unless you can't contact us and need to make emergency repairs or it's necessary for health and safety reasons
- wash, clean or remove debris from any area damaged by fire without our consent unless you need to do this to prevent further loss or it's necessary for health and safety reasons
- admit liability or responsibility to anyone else unless we agree
- negotiate, pay or settle a claim with anyone else unless we agree

- accept payment from someone who admits fault for loss or damage to your caravan, contents or annexe. Refer them to us instead.

Legal liability claims

You must tell us as soon as reasonably practicable about any incident that has caused an injury to others or damage to other people's property.

You must also tell us as soon as possible about any demands made on you to pay compensation to others and any court actions or offers of settlement and send these to us.

If you make a legal liability claim under your policy we can decide to defend you, settle any claim against you, or represent you at an inquest, official inquiry, or court proceedings. If we decide to defend you, settle any claim against you, or represent you, then you must give us all the help we need, including after your claim has been settled.

If you don't comply

If you don't comply with 'What you must do' and 'What you must not do' or what you must do under 'Legal liability claims' we can do either or both of the following:

- reduce or refuse to pay your claim (see *When we can reduce or deny cover* on page 8)
- cancel your policy in accordance with the Insurance Contracts Act 1984 (Cth).

If you unreasonably delay reporting your claim, we won't pay for any additional loss, damage, or liability caused by your delay.

How to establish your loss

Establish an incident took place

When making a claim you must be able to prove that an incident covered by your policy actually took place. If you don't do this, we won't be able to pay your claim.

We may obtain either of the following from the police:

- confirmation that you reported the incident
- details of any investigations they undertook.

You must give us authority to access these records if we ask.

Describe your loss or damage

You must give us accurate and full details of what was lost, stolen, or damaged.

Proving loss, ownership and value

You must give us proof of loss, ownership, and value of the items claimed when we request it.

Allowing us, a repairer, or an expert appointed by us, to look at what is damaged is usually all that's needed to prove your loss.

Proof includes things like registration papers, sales receipts, service records, valuations, warranties, credit card statements or service log books. A statutory declaration is not of itself considered acceptable evidence of proof of ownership and value. If you can't substantiate your claim, we can reduce or refuse to pay your claim.

Lost, damaged, or stolen items

For lost, damaged, or stolen items that are no longer available for inspection (for example, because they were stolen or destroyed in a fire) you must validate your claim by giving us details of when and where they were purchased and reasonable proof of your ownership and value.

The type of proof we might ask for includes the following:

- proof of purchase (for example, a sales receipt that has the item description or code, a purchase price, date purchased and where the item was purchased)
- proof of inheritance
- a valuation from a qualified professional valuer
- original operating manual, manufacturer's box
- certificate of authenticity
- close-up photograph
- a full description of the item (for example, brand, model).

We won't accept a statutory declaration as proof of your ownership and value if that's the only proof you have.

How your excess works when you make a claim

What's an excess?

An excess is the amount you must pay towards the cost of your claim for each incident covered by your policy. Sometimes you might have to pay more than one type of excess. The amount and types of excess are shown on your schedule or in this PDS.

Types of excesses

Basic excess	You pay this for all claims, unless your policy says that no excess applies to your claim.
Transportation excess	You pay this, as well as all other excesses that apply, if your caravan was being transported by rail, sea, or road (not being towed) when the incident happened.
Age excess (drivers 16-20 years old)	<p>You pay this if any driver (including learner) 16 to 20 years old was towing, using or in charge of your caravan when the incident happened.</p> <p>You pay this as well as all other excesses that apply.</p>
Age excess (drivers 21-24 years old)	<p>You pay this if any driver (including learner) 21 to 24 years old was towing, using or in charge of your caravan when the incident happened.</p> <p>You pay this as well as all other excesses that apply.</p>
Inexperienced driver excess	<p>You pay this if an inexperienced driver was towing, using or in charge of your caravan when the incident happened.</p> <p>An inexperienced driver is someone 25 years or over, who hasn't held a driver's licence for the type of vehicle towing the caravan for at least the past two consecutive years before the incident. It includes learner drivers 25 years or over.</p> <p>You pay this as well as all other excesses that apply.</p>
Hire use excess	This excess increases the Basic excess if your schedule shows that you chose the optional <i>Hire use cover</i> described on page 30. The Basic excess amount shown on your schedule includes this amount.

Underwriting excess	<p>We can apply this excess based on risk such as driving history, claims history or type of caravan. If this excess applies to you, your schedule shows the amount.</p> <p>It's separate from the Basic excess, and you pay this as well as all other excesses that apply.</p>
Off-road excess	<p>You pay this if your caravan is damaged while being towed on any beach, or any dirt or unsealed road.</p> <p>You pay this as well as all other excesses that apply.</p>

See the Secure™ Caravan Insurance *Additional Information Guide* for more about excesses.

How to pay your excess

If any excess(es) applies to your claim, we'll do one of the following:

- deduct the amount of the excess(es) from any cash payment we make
- require you to pay the amount of the excess(es) to us. We'll let you know when and how to pay.

We won't cover any legal or other costs that arise because of any delay in paying the excess.

When we waive your excess – other driver's fault

1	+	2	+	3	=	✓
You or the driver towing your caravan didn't cause or contribute to the accident (this means another driver was entirely at fault). You may be able to show this by providing a police report, expert reports, a statement from a witness or photographs.		You supply the at-fault driver's name and address		You supply the at-fault vehicle's registration number		You don't pay an excess

If 1, 2 and 3 are there, you don't pay an excess. If ANY are missing, you will need to pay an excess.

Settling your claim

If your caravan is damaged

If we agree to pay your claim we either:

- **pay for authorised repairs** – ask you to get a quote from your repairer to repair or replace the damaged parts of your caravan, and authorise repairs for the amount of the assessed quote from your repairer
- **pay you a cash settlement** – if you request a cash settlement or if we don't authorise the repairs, we pay you the amount of the assessed quote from your repairer to repair or replace the damaged parts of your caravan
- **settle your claim as a total loss.**

Choosing a repairer

You can choose your own repairer. We ask you to get a quote for repairs, then our assessor reviews it for:

- appropriateness of materials
- repair method
- labour costs
- material costs
- safety
- overall cost-effectiveness of the repairs.

Our assessor's review results in an 'assessed quote', which may be less than the amount your repairer quoted or that you've paid.

We only ever pay, or authorise repairs for, the assessed quote amount.

If we authorise repairs

If we authorise repairs to your caravan we ensure that the repairer:

- does the work properly
- uses new parts or parts that match the age or condition of your caravan, including aftermarket equipment parts. These parts will meet available manufacturer's technical specifications and/or applicable Australian Design Rules
- only uses new original equipment parts if your caravan is under the manufacturer's standard new caravan warranty period (but not under any extended dealer/manufacturer warranty period).

Quality of caravan repairs

If we directly authorise and pay a repairer to repair your caravan, we accept responsibility for the quality of their work and the materials they use. If you're concerned about the quality of the repair, call us on 1800 112 481 and make your caravan

available to us.

Fixing repairs

If repairs we've authorised need to be rectified, we may need to inspect the repairs and arrange any necessary rectification work. If it wouldn't be safe or economical to fix the repairs we declare your caravan a total loss. You must not authorise rectification work without our written authority.

If we don't authorise repairs

If we don't authorise the repairs:

- we pay you the assessed quote amount as a cash settlement, and
- we don't accept responsibility for the quality of the repair work or the materials used.

Repair conditions

These conditions apply:

Glass repairs	If they're available, we use aftermarket parts for windscreens and window glass (including sun roof) and repairs will meet Australian Design Rules.
Unavailable parts and delivery delays	If a damaged part is no longer available, we pay you the last known market price of that part. We don't pay costs because of delays in delivering parts. If a part isn't available in Australia we pay the cost of surface freight (not airfreight) from the nearest reasonable source of supply.
Caravan identification	<p>If your caravan's identification has been damaged (for example its compliance, build or VIN plate) we try to get a replacement from its manufacturer.</p> <p>If we can't get a replacement, we ask the manufacturer for a letter confirming your caravan's identity and stating that its original identification has been damaged.</p> <p>We still repair your caravan without replacing any damaged identification, unless the law requires another form of identification.</p>
Sub-contracting repairs	We can sub-contract some of the repairs, and any repairer we authorise to repair your caravan may also sub-contract. We require all sub-contractors to meet our service standards.

Matching materials	When repairing your caravan or your annexe, we ensure our repairer tries to match materials with those originally used. If this isn't possible or economically viable, we reserve the right to repair with the nearest equivalent or similar materials.
---------------------------	---

Non-damaged parts

We don't cover the parts of a whole set that weren't damaged or stolen in an incident. For example, if only one wheel and tyre are damaged in an incident, we will only pay to replace the damaged wheel and tyre, not the whole set.

What we won't do

When we authorise repairs to your caravan, we won't:

- pay to repair your caravan to a better standard, specification or quality than before the loss or damage
- pay to fix a fault or defect in your caravan, or fix faulty repairs, other than to the extent we're responsible from repairs we authorised
- pay to repair pre-existing damage. See *Contributing to repairs* below.

Contributing to repairs

If a repairer can't make accepted repairs because of pre-existing damage to your caravan, we ask you to pay the cost to repair that damage so they can make the repairs safely. Examples include neglect, wear and tear, weathering, rust, mould, mildew or corrosion.

If you don't pay these amounts or don't want to pay these amounts, we pay you the assessed quote amount only for the repairs directly related to the loss or damage covered under your policy (that is, not the cost to repair the pre-existing damage).

If your caravan or annexe is stolen and then found

If your caravan or annexe is stolen and is damaged (and the loss or damage is covered under your policy), and is found within 14 days, we treat it as if it were damaged (see *If your caravan is damaged* on page 52).

If it is found after more than 14 days we treat it as a total loss (see *If your caravan or annexe is a total loss* on page 55).

If your annexe is damaged

Important note: this policy only covers your annexe when it's locked inside your caravan. If you want to cover your annexe while it's in use outside the caravan this requires adding the optional *Annexe cover*, which increases the premium.

If your claim for loss, theft or damage to your annexe is covered under your policy we either:

- **pay for authorise repairs** – ask you to get a quote from your repairer to repair or replace the damaged parts of your annexe to the same condition, standard and specification as immediately before the incident took place, and authorise repairs for the amount of the assessed quote from your repairer
- **pay you a cash settlement** – if you request a cash settlement or if we don't authorise the repairs, we pay you the amount of the assessed quote from your repairer to repair or replace the damaged parts of your annexe to the same condition, standard and specification as immediately before the incident, or
- **settle your claim as a total loss.**

If your caravan or annexe is a total loss

Your caravan and/or annexe becomes a total loss if it's either:

- stolen and unrecovered after 14 days and your claim for theft of your caravan and/or annexe is covered under your policy
- uneconomical or unsafe to repair, including where the combined recovery, repair costs and salvage value are likely to be more than your policy's amount insured.

Caravans

When determining whether a caravan is to be written off, we take into account the relevant State or Territory law about what is considered a write-off.

If your caravan is less than two years old, then the additional cover *New caravan after a total loss for caravans less than two years old* described on page 22 applies.

For all other caravans we pay you the caravan amount insured shown on your schedule, minus any deductions that apply.

If your annexe becomes a total loss and...	we pay...
we cover your claim under the additional cover <i>Included annexe cover</i> (page 21)	the market value of the annexe minus any deductions that apply.
you have optional <i>Annexe cover</i> (page 30) and we cover your claim under that optional cover	the annexe amount insured shown on your schedule, minus any deductions that apply.

Deductions from your total loss claim

If we pay you for a total loss claim, we deduct from the total any of the amounts listed below that apply:

- excesses
- unpaid premiums, including any unpaid instalments for the period of insurance
- any input tax credit entitlement (see *How the Goods and Services Tax (GST) affects this insurance* on page 62)
- our estimate of the salvage value.

If we're giving you a new caravan, you must pay us any of these deductions that apply when we ask and before you receive the caravan. If we provide a replacement caravan you have to pay us any of these deductions that apply.

Caravans under finance

If a credit provider has a financial interest in your caravan, and we pay you for a total loss claim, then we pay them what they're entitled to first (up to the value of your claim) and pay you any balance.

If the credit provider asks to keep the salvage, we deduct the estimated salvage value from the total claim (before paying them, and then pay you any balance).

We own the caravan, annexe or contents salvage

When we replace your caravan, annexe or contents or pay you for the total loss, the salvage becomes our property.

If a credit provider is entitled to the salvage of your caravan, we deduct our estimate of the salvage value from the total claim.

If your contents are damaged or stolen

If your policy covers your claim for loss, theft or damage to your contents, we only settle the claim by paying you a cash settlement. We don't repair or replace the contents or arrange for a service.

Deductions apply to contents claims, and we won't pay you more than the relevant amount insured or policy limit.

How we pay you

We pay you by direct deposit, or if available, you can choose to be paid with a voucher, store credit, or stored value card.

To work out the amount we pay you we:

- review the quotes you've provided to repair or replace the damaged contents
- assess the quotes to make sure that each quote is reasonable for the scope of services or goods.

When we settle contents claims

We won't do any of the following:

- pay more than the relevant sum insured or policy limit
- pay extra because you paid more for an item when it was originally purchased
- pay for any decrease in the value of a pair, set, or collection when the damaged or lost item forms part of the pair, set, or collection. We only pay for the repair or replacement of the item that was damaged or lost.

Claims for additional covers and optional covers

If we pay a claim under an additional cover or optional cover, we settle your claim according to the terms of that additional cover or optional cover.

For the optional cover *Increased contents cover* (page 31), we only ever settle claims by paying a cash settlement.

For the additional covers listed below we don't repair or replace or arrange for a service, we only ever settle by paying a cash settlement:

- *After-claim expenses* (page 20)
- *Tools and spare parts* (page 27)
- *Included contents cover* (page 21)
- *Horsefloat hire cover* (page 20)
- *Veterinary Expenses cover* (page 28).

How we pay you

If we settle your claim for an additional or optional cover by paying you, we pay you by direct deposit, or if available, you can choose to be paid with a voucher, store credit or stored value card.

If you withdraw your claim

If you withdraw your claim, you must repay us the cost of any benefits received. We may deduct the cost of benefits received from the excess you've paid.

Your cover after we pay your claim

If we replace or authorise repairs

If we give you a new caravan or repair your caravan, your policy continues for the rest of the period of insurance. The exception is optional *Hire use cover*, which doesn't continue with the replacement caravan. If we repair your annexe, that cover continues unless your policy ends because your caravan is a total loss.

If your caravan or annexe is a total loss

If your caravan is a total loss and you're not eligible for a new replacement caravan, your policy ends and we don't refund the premium.

If your annexe is a total loss, and you have the optional *Annexe cover* described on page 30, that cover ends and we only cover any replacement annexe under additional *Included annexe cover* described on page 21.

If you want optional *Annexe cover* for your new annexe you can contact us and pay an extra premium.

Increased contents cover

If we pay a claim for the total amount insured under the optional cover *Increased contents cover*, this cover ends. If you want optional cover for your new contents you can contact us and pay an extra premium.

Our right to recover from those responsible

We can take legal action in your name to recover your loss

We have the right (and your permission) to take action or start legal proceedings to recover your loss from any person or entity who is or would be liable to you for that loss. We can do this if both of the following apply:

- you've suffered loss or damage or incurred a legal liability as a result of an incident covered by this policy
- you've made a claim with us for that incident.

'Your loss' means your insured, underinsured, or uninsured loss or damage or legal liability, costs, payments made, and expenses in relation to the incident.

When we take action or start legal proceedings

Any action or legal proceeding we take will be commenced either in your name, or in the name of any other person or entity that suffered your loss. We'll have full discretion over the conduct and any settlement of the recovery action.

We can take over and continue legal action you've already started

We also have the right (and your permission) to take over and continue any action or legal proceedings you've already started

against any person or entity who is or would be liable to you for your loss, if you make a claim with us for your loss. We can exclude your loss from a class or representative action.

If your loss is part of any class or representative action that hasn't been started under our instructions, we also have the right (and your permission) to exclude your loss from that class or representative action.

We'll do this so we can instead include your loss in any separate legal proceedings which are or will be started under our instructions.

You must help us recover your loss however you reasonably can

You must provide us with all reasonable assistance, co-operation, and information to help us recover your loss.

This may include any of the following:

- providing a more detailed version of events, and possibly completing a diagram, statement, or affidavit
- providing us with any documents we need to prove your loss
- providing copies of any available photographs or footage of the incident
- lodging a police report or obtaining relevant documents (for example, applying for records from the police, fire and rescue, councils, and other entities (when we can't request them ourselves))
- attending court or meetings with our legal and other experts (only if required)
- providing evidence and documents relevant to your claim and signing such documents, including signed statements and affidavits we reasonably request.

We'll pay the cost of filing the police report and relevant searches to locate the third party.

We'll also cover costs you incur to attend court up to \$250 in total per claim.

You must not agree or admit to anything that can limit your and our rights to recover your loss

You must not enter into any agreement, make any admissions or take any action or steps that have the effect of limiting or excluding your rights and our rights to recover your loss, including opting out of any class or representative action, unless we have given you our prior written agreement. If you do, we may not cover you under this policy for your loss.

If we decline a claim or don't pay a claim in full

We'll provide reasons for our decision to decline the claim or not pay it in full. We'll send you written confirmation of our decision.

Important things you need to know

Your contract with us

If you buy this product from us, your contract of insurance with us consists of:

- your schedule
- this PDS
- any SPDSs we give you.

Special conditions

We can apply special conditions on your policy that might exclude, restrict or extend your cover. For example, we might need you to provide more security because of the high value of your caravan.

Your schedule shows any special conditions that apply to your cover, so it's important that you read it carefully.

If you replace your caravan

If you replace your caravan with another caravan, we insure the replacement caravan – up to its market value – on the same terms and for the same type of cover. In effect, your replacement caravan becomes the 'your caravan' described in *What we cover as your caravan* on page 12.

We provide this cover for up to 14 days, from the date you buy the replacement caravan, until you contact us to insure it. We don't provide any other cover for a replacement caravan.

If you replace your caravan you must contact us within 14 days with the details so we can update your policy. See *When you need to contact us* on page 10.

All joint policyholders can administer this policy

When you insure your caravan in the names of more than one person, and all of those people are named as the insured on your certificate, each of them is a joint policyholder and is able to request changes and otherwise deal with the policy. The reason for this is that joint policyholders each have an interest or ownership in the caravan, contents, or both.

We'll treat a statement, act, omission, claim, request, or direction (including a request to change or cancel your policy) made by one policyholder (either before the purchase of this policy or during the period of insurance), as a statement, act, omission, claim, request, or direction by all policyholders. A policyholder means a named insured on your certificate.

However, if at the time you ask us to action certain changes to your policy (for example, when you ask us to cancel your policy, remove an item, or remove another policyholder), your

circumstances indicate you may no longer have authority to act on behalf of another joint policyholder, then we might ask all joint policyholders before we action that request or direction.

We'll consider the conduct of others when you make a claim

When we consider a claim under this policy, we'll have regard to any prejudice suffered by you or any other person entitled to benefit under this policy in relation to that claim, caused by mental illness of, substance abuse and/or an act of violence or intimidation by, another policyholder or person entitled to benefit under this policy. In doing this, we may meet the claim when we're not legally required to do so. If we do, we'll limit the claim in relation to the person claiming to an amount which is fair in the circumstances.

This 'Conduct of others' clause doesn't apply if we're relying on the exclusion for Alcohol, drugs and medication to reduce or refuse a claim under your policy (see *What we don't cover* starting on page 33).

About your premium

The amount you pay for this insurance is called the premium. Your premium includes any GST, stamp duty, and any other government charges or levies that apply, or discounts you've received.

The premium will be shown on your certificate of insurance as the 'Total Amount Payable' or, if you pay by monthly instalments, as the 'Instalment amount'.

The amount we charge you is based on our assessment of your risk and our costs of doing business. We use many factors about you and your caravan to calculate your premium.

See the Secure™ Caravan Insurance *Additional Information Guide* for more information about premiums.

You must pay your premium to be covered

You must pay the premium by the due date to get this insurance cover. We tell you how much to pay and when payment is due on the insurance account that comes with your schedule.

If you ask to pay the premium by debiting your account or card, we'll automatically continue doing so on renewal so that your policy can renew. You can contact us to stop this.

If you make changes to your policy details, it may affect the premium you need to pay for the remaining period of insurance.

Late annual renewal payments

If you don't pay the premium due on renewal by the due date, you have no cover from the due date.

Late monthly instalments

If you pay your premium by monthly instalments and a monthly instalment is overdue, we'll let you know, and under the Insurance Contracts Act 1984 (Cth) we can cancel your policy either:

- by giving you at least 14 days advance notice of the date of cancellation
- without advance notice, once an instalment is 1 month (or more) overdue.

If you buy your policy through a broker

If you apply for cover through a general insurance broker, we tell them how much to pay and by when. Your broker will then tell you what to pay and when your cover starts.

If you make changes to your policy, this may affect the premium you need to pay for the remaining period of insurance.

Late annual renewal payments through a broker

If we don't receive the payment to renew your policy by the due date, we notify your broker and cancel the policy.

Late instalments through a broker

If you pay by instalments and an instalment is overdue, we let your broker know. We can cancel your policy:

- by giving your broker at least 14 days advance notice, or
- without advance notice, once an instalment is one month overdue.

How the Goods and Services Tax (GST) affects this insurance

You must tell us about the input tax credit (ITC) you're entitled to for your premium and your claim, each time you make a claim. If you don't give us this information or if you tell us an incorrect ITC, we won't pay any GST liability you incur.

Our liability to you will be calculated taking into account any ITC to which you're entitled for any acquisition which is relevant to your claim, or to which you would've been entitled had you made a relevant acquisition.

In respect of your policy, where you're registered for GST purposes you should calculate the insured amount having regard to your entitlement to input tax credits. You should, therefore, consider the net amount (after all input tax credits) which is to be insured and determine an insured amount on a GST exclusive basis.

This outline of the effect of the GST on your policy is for general information only.

You should not rely on this information without first seeking expert advice on the application of the GST to your circumstances.

'GST', 'input tax credit', 'acquisition' and 'supply' have the meaning given in A New Tax System (Goods and Services Tax) Act 1999.

What happens with cancellations or removal of cover

Cancellation by you or removal of cover

For each policy you cancel or cover you remove (unless your chosen cover can't be removed), we'll refund the premium already paid for the remaining period of insurance for that policy or cover, less any non-refundable government charges. We won't give a refund if the refund is less than **\$10**.

If you pay by instalments, on cancellation you agree to pay us any portion of the premium that's owing. You authorise us to deduct any unpaid instalments by direct debit from the account or card you previously nominated for payment.

Cancellation by us

We can cancel your policy in line with the requirements under the Insurance Contracts Act 1984 (Cth). For each policy cancelled, we'll refund the premium already paid for the remaining period of insurance for that policy, less any non-refundable government charges. We won't refund amounts less than **\$10**. If we cancel your policy due to fraud, we won't refund any money to you.

General Insurance Code of Practice

We support the General Insurance Code of Practice. You can get a copy of the Code from the Insurance Council of Australia website (insurancecouncil.com.au) or by phoning (02) 9253 5100.

The Code Governance Committee is an independent body which monitors and enforces the Code and has powers to impose sanctions on Code subscribers for non-compliance.

Report insurance fraud

Insurance fraud isn't a victimless crime. It imposes additional costs on honest policyholders and wastes the valuable resources of our community. This means it affects everyone.

We actively pursue fraudulent and inflated claims.

Fraudulent claims will be investigated and may be reported to the police.

Help us fight insurance fraud by reporting:

- inflated vehicle or home repair bills
- staged vehicle or home incidents

- false or inflated home or vehicle claims
- home or vehicle fires which may be intentionally started, including by someone known to you.

To report suspected insurance fraud call: 1300 881 725.

Let's work together to reduce the impact of insurance fraud on the community.
